There's a good case to be made that better teaching and learning is best achieved by departments. Some things can only be solved at a whole-school level, such as behaviour; others, like

lesson planning, can perhaps best be addressed by individual teachers. But it is the department which influences teaching and learning most (Aubrey-Hopkins and James, 2002); it is departments which become the focus for improvement as a school improves (Chapman, 2004). Improving teaching and learning: ideas for heads of ...
